THE tastingpanel MAGAZINE

"...a perfume of roses, raspberries, and wet stone. Instantly juicy, with salty orange peel and guava, rose petals, and white cherry."

— Meridith May, *The Tasting Panel*, May/June 2023

WINE ENTHUSIAST

"This Scheid family project is elevating organic grapes to a level that more people can find and afford. Aromas of dried citrus and turned earth meet with melon on the nose, while the palate is wrapped in a firm texture as snappy plum and clay flavors align."

— Matt Kettmann, *Wine Enthusiast*, June/July 2023
